< CLASSROOM ATTIRE >

Though certain exceptions may apply, traditional dance attire is appreciated.

Girls: Ballet slippers, Dance tights, and Leotard. (skirt optional)

Boys: Jazz shoes, T-shirt, Dance trousers.

For all dancers, an extra pullover top is recommended during warm-up time. Long hair should be pulled back for safety as well as convenience. Soft hair-ties are best suited to also accommodate tumbling activities.

***Food or candy is not to be eaten in the classroom.

***Water is the only beverage permitted during class, and must be in a re-sealable container.

< WAITING AREAS >

There is a waiting room available for your convenience. This building is quite old, so please keep all areas as clean as possible as a courtesy to others and to avoid attracting pests. I request that for any classes with children under the age of 12 that at least one parent remain in the waiting area during class time. It is also strongly recommended that students are accompanied to and from the studio since it is a public building. Please do not send students through the building and parking areas unattended, as I cannot be responsible for them once they are out of the classroom and out of my sight.
